Dear Friend Alice,

I received your most welcome letter a week or so ago and was sure glad to hear from you. I was also glad to hear that you and your folks were all feeling well and hope you are feeling the same this time.

We are all well around here. From Japan.
P.S. I got this box of writing paper.

It The weather is not very promising these days, we had two cloud bursts this fore noon. it hailed and poured and rained real water, too. The first time it did that in a long time, it generally rains a little then stops and in a lapse of time it is here again, but this fore noon it really rained. But life is such, and so it goes on.

Well, how are you getting along at school now a days. Gee, I wish I was in the first grade

again. I would like really, to begin over again, But I would get up to where I am again in no time, hardly.

I suppose Helen likes high school, now, as most girls do. Is she now, a high freshee?

Say, Alice, when is your birthday?, and will you be thirteen your next birthday or fourteen. I will be 17th my next birthday, which is on May 12.

I'll bet you are "some kid" now eh. Don't kid yourself me, kid.

~~A~~ Where are you going
Easter Sunday? I would
like to see you then.
I am either going to
Idora Park in Oakland
or Golden Gate in
S.F. Really I don't
know where to go. I
have a blueorgette crepe
dress and a new hat and
a pair of white kid shoes
and silk stockings.

You asked me what
I got for Christmas 1919
didn't you. Well, I got,
a tam, an iron set,
a half dozen diff. games,
a pin cushion, four
boxes of writing paper, 2
pairs silk stockings, a pair
of oxfords and a pair of beads.
With love to all. As ever, Lillie
